Dear ryguyfi,

Since you want to take advantage of your Cabelas gift certificates I'm going to suggest the Cabela's LST rod. They are a very nice fast action rod with a 25 year warranty. Right now they are on sale in combination with the Cabela's SLA reel. The reel alone sells for \$ 169.00 and the rod alone sells for \$ 180.00 for the 9 foot 8 weight 4 piece. You can get a complete set-up including a Scientific Anglers Mastery line (worth \$ 59.00) and backing for \$ 299.00.

I'm not affiliated with Cabela's but I have cast a couple of the LST rods and they are very nice rods for the money and the combo price is a very good deal.

Regards,

Tim Murphy 😊
