I recieved this email today, I am planning to attend:

The Little Lehigh chapter has been inactive over the last few years. There have been multiple attempts in to rejuvenate the chapter with little success. Pennsylvania Council will be holding a reorganizational meeting on July 18th to determine the future of the chapter.

The meeting will be held at the Wildlands Conservancy in Emmaus on July 18th at 7:00pm. If you are interested in helping to reorganize and rebuild the chapter we encourage you to attend. The meeting is RSVP-based, which means that if a significant number of members do not RSVP for the meeting by July 13, 2012, the meeting will be called off and State Council will recommend de-chartering of the Chapter. Kindly RSVP by July 13, 2012 to c-skutskel@pa.gov or via phone at (814) 359-5114.
