Okay, you guys are giving me the damn bug! Do I get beat up as much if I ask in open forum about streams in the SE for bass like I do with trout?

I doubt it..haha.

I fish for smallies on the Lehigh around Bethlehem...more than willing to share what I know.

Things seem to be improving over the past few years. I've only been out once this year...didn't see too much size wise but there were good numbers...
