Was just on the River this past weekend, above Port Royal... Saw many fish, even landed a few (but on spin gear) There were some very large (understatement) catfish carp suckers that swam under my yak! Saw quite a few smallies, and other panfish. Witnessed a 20+" smallie get creeled, caught off live helgramite. Wish I could make this trip, but I'll be out of state for work. (Any fishing to be had in Santa Fe New Mexico?)
