Latest Update:

DJS - Grill

Fox - water and hot dogs and hot dog rolls

JT - Soda with cooler and ice

Stag - burgers

GRP - Chips (**GRP could you bring burger rolls instead of the plates and such?**)

Chaz - grill and meat plus his vast FF knowledge

Martin - burgers and potato salad

Better Martin - homemade Choc Chip Cookies

DD - baked beans

CathG - plates, napkins and plasticware

Still need:

more dogs and rolls

burger rolls

pretzels or any picnic junk food you think will work

condiments (mustard, relish, etc)

anything you think we need that I missed

I think McFinn will be joining us and we need to include Dave (I think that is his name but we all know me and names, right Katelyn?) at the flyshop since he'll be hosting us right outside his shop. We could have about 20 people or more when it's all said and done. This could be a "1st Annual". Boy wouldn't that be cool.
