I can bring burger rolls instead of the paper products. Just need an idea how many rolls to bring.

THANKS!

Two packs should be plenty. I may update that or get someone else to bring some more once we know how many people and how many burgers but I think two packs would be great.

Another thing, if anyone needs any fly fishing supplies consider holding off and buying it at the shop. Be nice to support that guy that's helping us make this possible. I think he has some tying supplies too. Thanks.
