pretzels or any picnic junk food you think will work

Junk food???? With Jeff and his shrimp commin on board we are going all class 😊

I don't have one but if someone has an extra cooler it may be a good idea to bring it so we can throw all the meat and food that can spoil in it while we fish. I have a cool bag with a few ice packs to get my stuff up there but I don't think it holds up into the early afternoon.
