I have the Pescadors in silver. My buddy has them in black. I use mine more and he uses his less, but doesn't take care of his gear very well. His finish is almost gone and he's had to replace a cutter from dropping it on the sidewalk. Other than a few dents in the aluminum, mine are in great condition. For \$80 and Ross' warranty, I'd go for it. Get an extra set of cutters just in case.
