Buggers and slumpbusters are good for swinging, orange and yellow are good colors. If the water is low and clear then more natural colors will work, like white and brown.

Egg size varies on conditions/water color. When the water is stained then you can use larger eggs. Size 10 and 12 are good sizes, orange, yellow, amber, red are good colors. Dead drifted under a thingamabobber. It is important that the offering is ticking the bottom.
