Swattie, if we chose State College area, there is a stream there that I would be willing to lead a group on. It is a special reg water in state forest so I don't think we have to worry about anyone's secret spot, except maybe mine. 😊

I just want to make sure we coordinate with Shane and Paul, who offered to have something like this in their neck of the woods. Not that I'm the Newbie coordinator because that job has been done better than I can do it by H-A. I'm just another elf in that Christmas village!
