Man, I hate to answer this with any authority to my answer because everyone will feel differently. I can only speak for myself, I had trouble on my preferred brookie streams with a 9' rod. I used a 7 1/2 for years but fell in love with my 6 1/2. I'm sure better guys than me can do it with a 9 footer but I had trouble. If we have this event and you still have your 9 footer. I'll bring my 8 and 6.5 and you can try them both.
