Paul and I have been discussing the date as October 6th, for our little shindig. Swattie if you want to put your own thing together feel free to do it. I am sure people would be willing to jump in on it. I mean we could split up on the pocono newbie jam. I could lead a group of guys to one of my bigger streams, and Paul or swattie or someone else could lead a brookie trip. Up to you guys.

That weekend would not work for me but please don't plan around me. These guys would be in good hands with both of you.
