I'd like to come out for this but it dePends on where and when. I'll ask the wife about 10-6 but if it's up in state college I won't be Abe to make it. A Pocono stream is probably the farthest I can go (2hrs outside of western Philly burbs).

I need to square away with Shane the location, but I'd say 10/6 is the target. I agree with you on the state college area - even for me here in the Poconos it's a 2 1/2 hour ride and I am not sure that's the best location for a newbie outing if only because the distance some would have to come.
