What....? You'd turn down excellent fishing for football? Can always record with DVR and watch later.

I may actually be GOING to chicago ... UMiami vs NDame takes the cake. (graduated from UM in 93).

Okay, but I don't want to hear any belly-aching about fishing only Valley and Pickering and wondering what it must be like to fish elsewhere. If you don't come we'll hold an honorary placemat, and chair for you. along with a cardboard cutout of you (we'll get someone to take a picture of you in advance) and lean it on the tent stand so that you can say you were there in a sense.

Lean it over the creek with a rod, probably have more luck then me. Make sure you take lotz of pictures of all this fish the cutout lands so I can post it on the board and brag
