from Penns Valley General store facebook page

Hey Penns Valley folks, Con-Stone quarry in Aaronsburg has acquired a permit from the DEP to mine underneath 2 roads just east of A-burg. DEP claims that Con Stone owns the limestone under the roads and therefore has granted them permission without public input. This most likely will affect Pine Creek and therefore Penns Creek. There is a public meeting at the Aaronsburg Community building on Aug 8th from 5-8pm. Thanks for reading
