Yea because it is the garlic that stops you from getting lucky. Good one.....

hey now .. its been 17 years together. That was her excuse this week

Girlfriends are just the remedy.... :)

To much effort and I would have to make a big investment in those purple pills

Dang, I did not realize you were that old. Well E.D. affects many and there are many websites out there to help you.

I ain't that old Big Water. Don't have ED either though I do have AADD (Adult Attention Deficit Disorder).
