BTW, I get that a guesstimate is good enough. But there was a reason why I posted this in the Beginner section (mods moved it). When I attended the newbie fish n' chips, it was apparent to me that some folks have never been afield or stream. I've been hunting and fishing since grade school. So the little tricks that you and I might have picked up along the way, tricks that allow for good guesstimates, might escape others. They're not just new to fly fishing, they're new to the outdoors as well.

Hey, was it that obvious? I thought I hid it rather well!
