Couple more thank yous to Fox and Ha for putting this together. Way to make it easier for the new guys to have an easier curve. DaveR's story about the guy on the Little Lehigh when he was younger made me realize why mentors are important. Also, thank you to WildTigerTrout for giving me a few of your secret flies 😊

Sorry it has taken me so long to post about the Jam. My computer crashed and I just got it back from the repair shop. I must say that I had a GREAT time meeting with all of you. Thanks to Ed and George for putting it all together. PAFF certainly has a bunch of good people. It was nice to see you folks in real life. The food was the best esp. the baked beans. MAN they were out of this world good! The fishing could have been better but not the company. Thank you to everyone for making me feel welcome as I had not attended a Jam before. I will be going to more though. S. Becker, let me know how those flies work for you. Take care all and I will see you next time or maybe even streamside. That's for you George. We have got to fish together this fall.
