Now, it's good-by to American Angler, for the same reason. I admittedly miss getting Fly Fisherman, and since I think AA is the best of the ff magazines, I will miss reading it even more. I also saw that FTJ printed a beck photo in its last issue. I hope that does not become a regular thing. Thank goodness for The Drake and FR&R (with one mistake in FR&R a year ago).

If you really wanted to make a statement you should boycott all of the advertisers in both mags. Because if you buy anything from the manufactures that advertises in either magazine some of your money is ending up in the Beck's pockets. Just a thought.
