I'll initiate the new (old) forum.

I know there are people planning trips and people asking about info on here, so lets get it started!

We're staying at the Rainbow Shores Campground again this year. Great place, close to the DSR, and cheap (around \$37 a person a night after taxes and fees).

DSR

<http://www.douglastonsalmonrun.com/Fishing>

Fishing license

<https://nyfgisales.appsolgrp.com/fgnyia/html/index.jsp>

9-10wt for kings, 8wt for all other should be fine.

Bring lots of split shot, you'll use it up and NY doesn't sell lead.

Swivels are a must. 4ft max distance from hook to weight. Helps show that length if you're questioned and also all foul hooks or break offs happen at the swivel. Plus leave a tag end for your shot.

Flies

Estaz, stoneflies, streamers should do.

That's all I got. Feel free to add to it.
