Been thinking about this since i was invited to tie.

This past year i've almost exclusively been tying classic flies - winged wets, rangeley style streamers and atlantic salmon flies.

Since i'm not going to have a time limit on the day, I will tie a selection of all three and donate all flies i tie on the day to the raffle.

I hope to split the time into two sections

Morning-early afternoon

Wets and streamers

Wets - Trout Fin Set - 6 flies, which include married wings and tails.

Streamers - 4 "Ghost" flies Black Ghost, Grey Ghost, Grizzly Ghost, Green Ghost.

Late afternoon

Salmon fly (1) if time permits. - yet to be decided, but something familiar like a green highlander or such.

Obviously i might be over estimating the time for this, and I might not get the salmon fly tied.

I'll happy to answer questions on technique etc as i tie, and this will impact the time per fly

should be fun
