i would like to remind those of you going to the salmon river and or fishing anywhere in new york with [this](#)
small excerpt At All Times:

- Snatching and attempting to snatch is prohibited.
- All foul-hooked fish must be immediately released without unnecessary injury.
- Use or possession of gaff hooks is prohibited except when ice fishing.
- Any action to frighten fish and move them from concealment, including herding, driving, kicking or stoning is prohibited.

now you all know what applies to you so i shouldnt have to name names especially the part about fish
herding /driving

sometimes nice people get caught up in the "fever"
