I decided to explore beer quotes on the site Padraic linked and found a few more:

*"People who drink light "beer" don't like the taste of beer; they just like to pee a lot"*

-- Anon.

*"And the bartender says to Renee Descartes, 'Another beer?' And Descartes says, 'I think not,' and disappears"*

-- Alfred Bester

*"You can't be a real country unless you have a beer and an airline - it helps if you have some kind of a football team, or some nuclear weapons, but at the very least you need a beer"*

-- Frank Zappa
