Visiting the Lehigh Valley - Where should I fish?

I am headed to Bethlehem on Thursday and will be including a fly rod into my luggage. I am planning to fish Thursday evening, most of Friday, and possibly Saturday morning, really anywhere within an ~1 hour drive. I intend to stop by the Saucon, my go to stream while in college; other than that I am looking for some recommendations of where I should go fish. Head up to Jim Thorpe? Tulpehocken Creek? Pohopoco Creek?

Appreciate any suggestions!
