First keeper of the year. Got 3 tonight and countless blues. Bass went from 18 to 29 inches. Blues 12 to 18 and one last keeper fluke for the season. Two of the bass and most of the blues were caught on fly. The 29 inches was on a swimshad. Weather was sh*tty to say the least. But in the back it was fine. Can't wait till so sizable fish start to show in numbers.

Good luck tomorrow.
