Had a good summer , stayed almost all of it at the cabin , turkeys and trout almost everyday , got to go to the Raystown with a buddy a few times , not really into sittin in a boat but we caught em and had fun , and i learned alot about species i dont usually get a crack at like lake trout and stripers and carp on dry flies what a hoot. Wouldn't want a steady diet of it but i like to fish , and catch fish , and we sure did that , one of the coole3t striper methods was with a submerged light.....different n fun.
