Yeah baby!

While for us salt and surf bums, the term "fall run" means ocean fishing in the northeast....it's worth remembering that the fall can mean all kinds of "runs": steelhead, browns in rivers, colored up brookies, hunting, football.....

It's just a wonderful time of year. Was driving over South Mountain today and the trees were beautiful. I think we're seeing earlier than usual colors this year - gonna be gorgeous. Get out while you can.....October doesn't last long enough.
