Fred,

Thanks for the wonderful videos.

I'll have to make some of these salt jams with you guys this year.

I drove to Island Beach State Park many times, by myself, 3 1/2hr drive, with only a fly rod, in Dec and Jan and stayed until 5am, then drove the 3 1/2hrs back to York!

I usually had the beach to myself, because it was winter. I didn't even pack a pistol then!! I must have been crazy? I saw a red fox and I think a "werewolf" that would follow me around the beach?..... it never attacked me though..... thank God!

I have a neat 8wt with Mastery "Striper" fast sink line.

Good striper action when the sun goes down if you are bold enough to try it. They seem to hug the shoreline in the cover of the darkness.
