blues should stay into november along jersey, stripers will be there till late december or longer. big stripers show up late november but usually off shore. rods should be 9' 9wt. or better most times though an 8 wt. will work at times early in season latter you need big flies and will be fighting wind conditions. clousers, deceivers, sand eels, poppers will work 2/0-5/0

jersey is free for registration : [www.saltwaterregistry.nj.gov/](http://www.saltwaterregistry.nj.gov/)
