your on the right track. This time of year head to Sandy Hook. Lots of places to FF, and a 10wt is just right. Are there better other places? Sure but that is a well know/easy to get to place with easy parking, well marked trails and lots of fish! Bring some clousers in white and white/chart and maybe a top water like a Bob's banger. Cabelas has a decent "Striper/Bluefish" Assortment. Not exactly they way I would tie them but they'll work.

Whats wrong with the reel?
