Your more than welcome to attend the Salt Jam I'm sure you will learn allot . Last year more than half of the people that attended it was there first fish/fishing caught in the salt and many were hooked after that . As far as your gear call the owner of Colton fly company his website is coltonfly.com and tell him you are coming to the salt jam and he will give you the discount to all jam attendees . Be warned the man loves to talk about fishing .
