Would love to get to Montauk this year but it's probably not gonna happen. That pic of the fella hooked up (strange he's wearing hip boots, lots of folks there wear full wetsuits).....reminds me of my best day of surf striper fishing which was at that same spot. This would have been Oct 2003 - caught so many bass I quit from sore arms and just watched the show. Acre sized schools of breaking fish right in among the shoreline rocks. I was standing on one of these rocks and the fish were just smashing all around me.....

The stuff of dreams.

However, even Montauk can show you the skunk, as it did the last time I was there.
