First off I would like to point out that I am by no means an expert on this but I will be doing a presentation on fly fishing for pike and musky for the Allegheny Mountain Chapter of Trout Unlimited. The presentation is this Wednesday at 7pm in Dubois at Martins Grocery Store Community Room. The store is located at 22 Hoover Avenue. The presentation will consist of how to fly fish for them, the gear needed, and where to look for them. I will also be doing a tying demo after the presentation. Hope you can make it.
