We (the wife and I) just got back from 5 days at Harman's. We had booked cabin 15 at the end of the road. We had an awesome time and will definitely be going back.

The fishing was tough since the water was low and clear but I managed to land a few of the huge rainbows. They stock some real pigs in the stream so if you're into that sort of thing this is the place!

There is so much more to do in the area. We spent a good amount of time just unwinding at the cabin. The scenery is amazing. We had a pair of Bald Eagles circling just above the stream right in front of our cabin.

We did some hiking right at the cabins and drove up to Dolly Sods. Dolly Sods was amazing although the wife didn't care for the 28 mile drive on rough dirt roads with no guard rails at high elevations. I'll post pics in the next day or two.
