Just about all the rod makers have rods in the \$100 range. I have a Cortland 9' 6 wt that me \$95. Also try Cabellas, Bass Pro Shop or any of the others.

My 6 wt is used for everything. A bit heavy for bluegill and a bit light for the bigger steelhead, but it does the job.

Can't help with fly shops in your area, since I'm at the other end of the state.

Hope this helps.
