URL:

Please use the following format on the topic line to aid in sorting stream reports. Thank You.

Title: (ie. Stoney Creek, Dauphin County, 06/08/2005)

Please include helpful information for Fly Fishing: weather, water temps & clarity, hatches and other important fishing conditions.

Please keep them to one stream and a fishing report that you have been on for an observation.

No Advertising!

To view a particular streams report history, select sort by: "topic title", Ascending order" and "from the beginning"

A New Topic that is NOT a Stream Report will be deleted. Please use the other forums for comments.
