I definitely agree with pat: longer rods make much better bow-and-arrow casts. There is a great discussion of this cast in the Orvis/Tom Rosenbauer book on fly fishing small streams book. This book is generally a great resource:

[http://www.amazon.com/Orvis-Guide-Sma ... eam-Fishing/dp/0789322250](http://www.amazon.com/Orvis-Guide-Sma...eam-Fishing/dp/0789322250)

Also agree with deltas comments above about a lot of this (fast versus slow rod, overlining, how much to use bow and arrow, etc) is just what different people want to do, how they tend to cast, etc
