Hey guys,

I have (2) Allen Myth 9 foot 6wt Blanks.

I also have (1) Allen Olympic Spey 13ft 7wt Blank.

I am selling each for \$70 included shipping.

Rods are obviously new and unbuilt. Had an interest in building rods. (quickly faded)

Sitting here doing nothing with them.

Price may be negotiable if no one is interested after a week or so.

Pm me or post in here if interested.

I assure you these rods are gladly welcoming Hurricane Sandy, and are dying for someone to fish steelhead with them when the water comes down.

Thanks.
