Abel Super 8 in custom Slate finish. The reel is new in box with reel case and paperwork. Never spooled. I have pics if needed.

Asking \$500. I would listen to reasonable offers but don't really need to sell it, just don't really need to keep it either. Possible trade for fishing kayak (Native, Jackson, Wild.System) or if anyone has a Winchester 1300 Uplander or BPS Upland model (straight grip).
