if it's a brown bug, then tie on a brown bug, if it's a black bug, ya use a black bug, if it's a ..., well, you get the idea.

or like gfen says, use an adams and simply catch fish.

unless your on penns and the fish are being especially bitchy, and there are 7 different bugs hatching, then no fly you use will work, but the kid throwing a mepps spinner will catch em all day long. kinda pisses ya off when that happens.
