stocking foot for spring/ summer/ early fall, boot foots for rest of year.

for small streams boot foot hippers

for beach stocking foot with low flats booties in spring/ summer/ early fall

for cold weather boot foots..except on jettys there its loose knee highs easy to kick off with korkers..

poypropelene liners with merlino wool socks all year..

Always buy a size larger in size. merlinos can be had in light, medium and heavy...

Since I have bad circulation in my legs (100 in right and 80 % in left) I wear compression stockings as well. They help a lot with circulation in my feet and legs give em a try.
