SBecker, try Dollingers' in Albion. I'm driving up on Sat. and will be fishing the area Sunday-Tuesday. Haven't talked to anyone up there for a week, but the fish are there. If everything is booked up close to the Oak, you can always get rooms in Batavia. It's only a 30 min. drive, and the prices are about the same as the close by motels, and they are alot nicer.....Orleansoutdoors fly shop might have some rooms (this would be my last option though).
