Tomorrow morning (Thanksgiving) I'm headed east, out of the mountains, to where men are men, and the steams run flat.

That's right... Lancaster County.

My wife's family lives in Landisville, just west of Lancaster.

When I'm not in enjoying my wife's Dad's homebrew or her Mom's cooking and general hospitality, I find my self waiting for something to happen.

So this weekend I'm goin' fishin'.

I was hoping someone can give me some destinations in the area that may produce some good hook-ups.

I was thinking Chiques creek and Little Chiques creek?

Also, any fly or micro-brew recommendations?

Thanks in advance.
