Are you looking to fish today and/or this weekend as well? Your OP said this weekend, but I'm headed out today on a few hours.

Hardy Fly Fishing has their NA headquarters here, and sadly, the only "fly" establishment I can think of is the Orvis Outlet at Rockvale. Recommend avoiding it due to shopping madness, but my brother said they do have some fishing stuff. All other fly shops or sporting goods stores that sell tying material have closed or sold off their material. Cabelas is close if you haven't been there.

NickR has suggested the local breweries. I personally like the Lancaster Milk Stout. The Spring House Brewery is just down the road from me, but you now have to go to their tasting room in downtown Lancaster to make any purchases.
