If there are rainbows try a royal wulff. I don't know much about streams out there, I don't get out west too often anymore. But there are some good ones. Check the Class a list and the Natural Reproduction list. The one I know about is Hell Run, but I'm not supposed to mention it here, I'm going to anyway cause I'm sick of the BS caused by a small minority of boneheads that use his site. Warning... Hell Run is steep and difficult to get to from the bottom, but the reward is worth it.
