this is the place to take your spinning rods-stop at walmart and get some 17 r and 19r mirrolures .
reds in the shallows will put brown trout to shame for spooky.slightest bump[vibrations] and they are gone-trout
can be taken right along the boat.cedar Keys is my favorite but others up to the bend are escapes also-
Didn't mean no gators but that those islands will hold some nasty snakes.lol
By all means take the fly rod,try them both so you won't wonder what if.
