Maybe Swattie would be interested, I hit up one of the wild streams in the northern part of Lanc yesterday afternoon (no hunting on Sundays!). Lots of redds (this is the stream where Fox got the wild bow), but I only caught 2 brookies. Glad to see the redds. No fish paired up.

It was a squatch nightmare though. Chub after chub...one of them was like, 10" long and all colored up. Nasty.
