Jack, Wild Trout Management is defined in the Trout Management Plan. IMHO, if PFBC isn't stocking over wild trout, then why are co-ops allowed to do it. IT is encouraged by some WCO's, and that makes it ok?

The co-ops have to stock where PFBC tells them and it must be publicly accessible. But private interests, purchasing their own stock can plant Brook, Brown, Rainbow, Golden Rainbow, Tigers and Albinos anywhere not otherwise prohibited.
