I thought it was the Schuylkill TU Chapter, no?

There are a few of the "\$50 Reward" signs still around.

Does anyone know what the deal is with the camp on the island?

I often wandered that too. It looks like a great party spot, which I'm sure it is used for. I fished it a few weeks ago and saw something that really sucked. If you know where the benches are in the DH area, there was a huge pile of trash there. It was thrown on top of a fire ring. It made me sick. Downstream is bad enough with everyone throwing their trash off the mountain side. Pigs.
