Yeah I assumed that much about the booze. Oh well. It is what it is I guess.

Checked it out, non-residential NC license is \$10, and that will indeed cover me for both states as long as I'm in the park.

Jack I owe a lot of this trip to you! Last year when we were in the process of dreaming up the quill gordon summit, you mentioned something about how you'd like to wander into the Smokies for a couple of days again. I commented on how great that sounds, and you said it could be done for very cheap! That got the gears rollin, dude.
